# **KARST DISPERSION SALE - WARRINGTON REDUCTION SALE**

**Providing 46 Lots of Quality Well Bred Shorthorns**

**WEDNESDAY, FEBRUARY 13th, RICH HILL, MISSOURI**

Sale will be held at the Warrington farm, located five miles west, three south and 3/4 east of Rich Hill, Missouri, on an "all weather" road. Rich Hill, Missouri, is 80 miles south of Kansas City on U.S. Highway No. 71.

**SELLING  
17 BULLS, 5 COWS AND CALVES, 14 BRED COWS AND HEIFERS  
10 OPEN HEIFERS**

ALVIN T. WARRINGTON sells 17 bulls, including the outstanding two year old junior herd sire Gregg Farms Vinosse by Klaymor Kohinoor. Eight coming two year old bulls by Sni-A-Bar Bondsman. Eight yearlings and senior bull calves by Sni-A-Bar Bondsman, Campeon Upright and Gregg Farms Vinosse. Three cows, daughters of Sni-A-Bar Bondsman with husky calves at foot by Gregg Farms Vinosse, Thirteen bred heifers and young cows all daughters of Sni-A-Bar Bondsman and well forward in calf to Gregg Farm Vinosse, an attractive group of eight open heifers, ideal foundation material.

RICHARD B. KARST sells all the Shorthorns he owns because he is being called into the Armed Services. They include a six year old granddaughter of the International champion Sunray with a heifer calf at foot by Sni-A-Bar Bondsman, a three year old daughter of Sni-A-Bar Bondsman with a heifer calf at foot by Gregg Farms Vinosse, a bred heifer by Sni-A-Bar Bondsman, mated to Gregg Farms Vinosse, and two outstanding open heifers.

The Warrington herd until two years ago was located at Leoti, Kansas, and it was a year prior to this that Richard B. Karst young Colorado farm boy, joined Alvin Warrington in a working partnership. Richard, now called into service, is dispersing all the cattle he owns and this also quite necessarily has caused Mr. Warrington to greatly reduce his herd in size. All cattle are T.B. and Bangs tested and are the thick, deep bodied good doing kind. You will like them because of their quality and blood-lines.

Seward, Nebraska**

**AUCTIONEERS: C. D. Swaffar and Connie McGinnis**

# GENERAL INFORMATION

**TIME:** Wednesday, February 13, 1952. Sale at 1:00 P.M.

**LOCATION:** Sale will be held at the Warrington farm, located 5 miles west, 3 south and 3/4 east of Rich Hill, Missouri, on an "all weather" road. Rich Hill, Missouri is 80 miles south of Kansas City on U.S. Highway No. 71.

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

Although the owners and sale manager will do everything in their power to insure the safety of the sale day guests, they assume no liability for accidents of any nature.

**GUARANTEE:** All cattle are sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into the state or territory where the buyer maintains his cattle. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

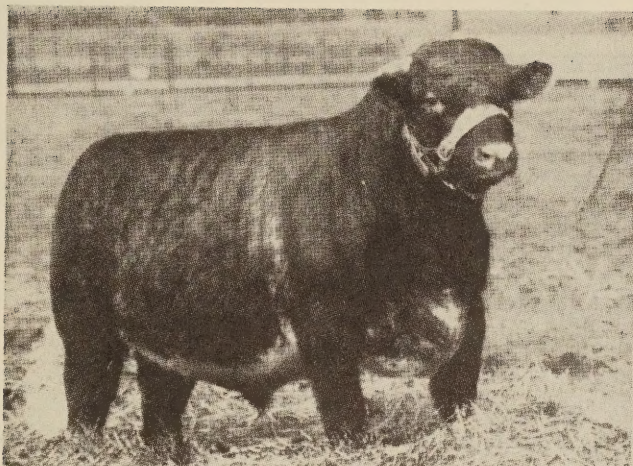

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES:** A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

**BIDS:** Those wishing to buy who cannot be present may leave with or send their bids to the sale manager, Mervin F. Aegerter of the Shorthorn World, Seward, Nebraska; Ted Aegerter, Field Representative of the American Shorthorn Breeders' Association, Seward, Nebraska; Bert Powell of the Missouri Ruralist and Kansas Farmer, Topeka, Kansas or the Auctioneers C.D. Swaffar or Connie McGinnis.

**PLEASE NOTE:** The above terms of the guarantee apply only to the Warrington cattle. Due to the fact that Mr. Karst is dispersing his herd, Lots 42 to 46 will be sold at the halter with no further guarantee, although buyers will have assurance that they are bidding on healthy producing cattle that have been developed with the same feed and care as the Warrington offering.

**Sni-A-Bar Bondsman. Sire, Edellyn Campeon Mercury.**

**SNI-A-BAR BONDSMAN** - This great breeding son of Edellyn Campeon Mercury will be well represented with sons and daughters in this sale. They all have that typical "Mercury" thickness, heavy quarters, ruggedness and depth of natural fleshing. The Get of Sni-A-Bar Bondsman have not only done well for Alvin Warrington but for other breeders as well. In the 1951 Kansas State Shorthorn Sale at Hutchinson, I. J. Spitzer, Grigston, Kansas, sold a senior yearling son for \$900 to J. E. Van Sant, Fresno, California. In the 1951 Range Bull Performance Show and Sale at Broken Bow, Nebraska, Raymond Dietz sold a junior yearling son for \$900 to Abner McKenzie, Red Bluff, California.

GREGG FARMS VINOSSE - Here is a powerfully rugged, burly headed coming two year old red bull whose first calves are being offered in this sale. And only because the Warrington herd after this sale will not be large enough to warrant the use of two herd sires is this grand young bull being offered for sale. He is by Klaymor Kohinoor, the top bull in the 1947 Klaymor Farms Sale that was purchased in the Gregg Farm Dispersion Sale by A. P. George, Richmond, Texas. His dam, Gregg Farms Vinolia 4th, was purchased in the Gregg Farm Dispersion Sale by C M C Shorthorn Ranch, Salina, Kansas. The Get and service of this young bull selling in this sale will indeed be one of the attractions and here is an opportunity to buy a popularly bred young sire that can readily fill the herd needs of one of the strongest herds.

ANEMONE 40th — Has a roan heifer calf at foot dropped May 3d, sired by Sni-A-Bar Bondsman. Remated in September to the same sire.

uesday, February 13, 1952

# MEMORANDUM

I had the pleasure of working with Alvin Warrington in the staging his last sale on April 15, 1950 at Leoti, Kansas. It has been pleasing to note that many of the buyers who purchased bred females in that sale carrying the services of Sni-A-Bar Bondsman were very fortunate in obtaining outstanding calves from this mating. Richard B. Karst, young Colorado farm boy, joined Mr. Warrington in his cattle and farming operations three years ago and moved to Missouri with him two years ago. Together they have done a good job of producing and developing their cattle. Sni-A-Bar Bondsman is still active and will be retained by Mr. Warrington, who is greatly reducing his breeding herd in numbers due to the fact that Richard Karst will soon be called into service. Cattlemen will like the young two year old bull they are selling, Gregg Farms Vinosse. He is a burly headed, rugged, heavy boned young bull and his first calves look very promising. It will pay you well to plan now to set aside February 13th and be with us at the Warrington farm.

MERVIN AEGERTER, Sale Manager

## **17 Bulls**

*Gregg Farms Vinosse, outstanding young two year old junior herd sire; 8 coming two year old sons of Sni-A-Bar Bondsman and 8 yearling and senior bull calves, including several real herd bull prospects.*

## **29 Females**

*5 cows with calves at foot, 14 young bred cows and heifers and 10 open heifers.*
